

## VedaSearch

Every day an account remains unpaid eats into profitability. Often an account over 60days past due has lost any 'profit' margin. Companies and businesses need to maximise the opportunity to locate defaulting customers to recover amounts outstanding as quickly as possible.

VedaSearch is a convenient online tool that helps you collect overdue debts and find the lost debtors you're searching for, potentially leading to higher staff productivity and better collection rates.

**A DYNAMIC, ONLINE DATA SEARCH PORTAL THAT MEETS THE NEEDS OF BOTH CREDIT AND NON CREDIT PROVIDER SUBSCRIBERS.**

**Accurate, reliable data with instant results**

VedaSearch has access to identity information on the Veda credit bureau as well as information from 192 million public records. The Veda credit bureau holds the credit files of 16.5 million credit active individuals and 4.4 million companies and businesses. Please note that if you are not a credit provider you can only access the public record information on VedaSearch. Data sources for VedaSearch include:

- Depending upon your access rights, identity information from Veda's credit bureau.
- Daily updated Electronic White Pages (EWP)
- Daily updated VPND
- Commercially sourced phone directories
- Historic Phone and address directories (back to 1980)
- Veda Solutions Group Marketing Database
- ASIC searches
- Directorships
- Employers
- Courts data
- Bankruptcies / Judgments
- Geo Location/Geo Risk coming soon

**Single point access**

No more logging in and out of multiple systems to piece together the information you need to make contact. We provide it all in one place with just one login.

**Save Time**

You'll only need to go to one system to access many different and detailed data sets to help you to find what you're looking for. Consulting with the industry has helped us to build our system to support the way you work with innovative time saving features.

**Save money**

No separate annual subscription fees or charges for multiple logins. You're only charged for what you use and your Veda annual membership enables access 24/7.

**Lower training costs**

An internal training document is designed for ease of use for you and your staff to become familiar with the system quickly and efficiently. These training documents will be enhanced as new services come on line and can be incorporated as part of your general internal staff training on an ongoing basis.
